

GROUP PROCEEDING SUMMARY STATEMENT

EDWARD JOHN NELSON AND GAIL CHRISTINE NELSON V BEACH ENERGY LTD

(ACN 007 617 969)

Case: S ECI 2021 04440

Filed on: 25/11/2021 03:52 PM

What is this group proceeding about?

This group proceeding relates to allegations that Beach Energy Ltd (**Beach**) made misleading representations and failed to comply with its continuous disclosure obligations as an ASX-listed company, breaching relevant provisions of the *Corporations Act 2001* (Cth) and the *ASIC Act 2001* (Cth).

The group proceeding alleges that because of this conduct, group members paid more for shares in Beach than would have been the case had the Company complied with its obligations. Alternatively, group proceeding alleges that some group members would not have purchased shares in Beach had the alleged wrongdoing not occurred.

Am I a group member?

You are automatically a group member if you *purchased* shares in Beach during the period 17 August 2020 to 29 April 2021 (inclusive).

If you do *not* wish to participate in the group proceeding, there will be an opportunity for you to opt out of the class action at a future time.

If you do wish to participate in the group proceeding and be entitled to receive compensation if the claim is successful, you will likely be required to formally register your claim at a future time.

You will receive a Notice about the opt out and registration process which explains these options and the steps you are required to take at a future date.

Who is acting for the Lead Plaintiffs?

Slater and Gordon is acting for the Lead Plaintiffs and other group members in this group proceeding against Beach.

Who are the Lead Plaintiffs and what responsibilities do they have?

The Lead Plaintiffs, Edward John Nelson and Gail Christine Nelson, receive advice from and provide instructions to Slater and Gordon about the case on behalf of all group members. Mrs and Mr Nelson provide instructions about key stages in the proceeding, including in relation to any offer of settlement.

Mrs and Mr Nelson have overarching obligations to act honestly, avoid undue delay and expense, and to exercise best endeavours to take steps to resolve the proceeding.

In the event that the case does not settle prior to trial, Mrs and Mr Nelson may be required to provide evidence regarding their individual claim.

What costs are involved?

Slater and Gordon is acting on the basis that the Lead Plaintiffs will seek a Group Costs Order, pursuant to which:

- Legal costs payable to Slater and Gordon would be calculated as a percentage (as approved by the Court) of any amount of damages award or settlement that may be recovered in the group proceeding;
- The liability for that payment would be shared by the Lead Plaintiffs and all group members in the proceeding;
- Slater and Gordon would be liable for any costs payable to the Defendant in the proceeding that the Court may order; and
- If an order for security for costs is made in favour of the Defendant, Slater and Gordon will provide this security.

In the event that a Group Costs Order is not sought by the Lead Plaintiffs or granted by the Court, Slater and Gordon may seek litigation funding to fund the legal costs (both fees and disbursements) and the risk of an adverse cost order being made in the proceeding (including any need to provide security for costs).

In no circumstances will group members ever be out of pocket by participating in the group proceeding – whether the case is successful or unsuccessful.
