I, Andrew John Watson, Solicitor, of Level 21, 380 La Trobe Street, Melbourne in the State of Victoria, make oath and say as follows:

1. I am a Principal in the firm of Maurice Blackburn Pty Ltd (**Maurice Blackburn**), the solicitors for the Plaintiff in this proceeding and pursuant to the Orders of this Court dated 27 May 2015 I am the Scheme Administrator in this proceeding.

402328074.5

2. I make this affidavit from my own knowledge unless otherwise stated. Where statements are not made from my own knowledge, they are made to the best of my information and belief after due enquiry and I have set out the source of my information.
3. Exhibited and marked “**AJW-1**” is a bundle of documents referred to in this affidavit. Exhibited and marked “**AJW-2**” is a confidential exhibit. Any reference to material exhibited to this affidavit will be by reference to the page number.
4. I make this affidavit for the purpose of providing the Court with an update on:
  - (a) the progress made in relation to the personal injury and dependency (“**I-D**”) settlement distribution;
  - (b) the progress made in relation to the economic loss and property damage (“**ELPD**”) settlement distribution;
  - (c) communications with claimants;
  - (d) amounts set aside for contingency;
  - (e) residual distribution sum amounts;
  - (f) taxation issues affecting the Distribution Sum; and
  - (g) the settlement administration costs.
5. The team of lawyers, paralegals and legal assistants employed by Maurice Blackburn who are working on the administration of the Settlement Distribution Scheme (**Scheme**) are referred to in this affidavit as the **SDS Team**.
6. All references to the affidavit of Andrew J Watson sworn on 1 March 2018 will be marked as the **March 2018 affidavit**.

**PROGRESS IN RELATION TO I-D SETTLEMENT DISTRIBUTION**

7. All I-D claimants have received their compensation and presented their cheques.

A handwritten signature in blue ink, appearing to be 'Andrew J Watson', is written across the bottom of the page.

402328074.5

## **PROGRESS IN RELATION TO ELPD SETTLEMENT DISTRIBUTION**

### ***Remaining distributions***

8. There are 872 above-insurance claimants entitled to receive compensation in the ELPD settlement distribution. At the time of swearing the March 2018 affidavit, there were 5 ELPD payments which remained to be processed by the SDS Team and the total combined value of the claims not yet paid was \$313,010.02.
9. Since then, all those claimants have received their compensation and presented their cheques.

## **COMMUNICATIONS WITH CLAIMANTS**

### ***Correspondence***

10. Since the March 2018 affidavit, the only substantive aspect of the Scheme which has progressed has been the dispute with the Australian Taxation Office (ATO). The SDS Team have sent correspondence to group members who received compensation in the proceeding to keep them updated on the taxation dispute on the following dates:
  - (a) 13 April 2018;
  - (b) 29 June 2018;
  - (c) 3 December 2018;
  - (d) 1 March 2019;
  - (e) 18 March 2019;
  - (f) 29 May 2020;
  - (g) 7 August 2020; and
  - (h) 30 October 2020.

The template correspondence sent to group members since the March 2018 affidavit is at pages 13 to 26 of this affidavit.

### ***Final Report***

11. I caused to be prepared a document referred to as the Final Report into the Kilmore-East Kinglake and Murrindindi-Marysville Black Saturday Class Action Settlement Administrations (**Final Report**) and filed that document with the Court by my affidavit dated 23 November 2018.
12. Costs reports prepared by the Australian Law Cost Group (**ALCG**) referred to in the Final Report were also provided to the Court by the following affidavits filed in this matter:
  - (a) Affidavit of Fiona Elizabeth Mullen dated 7 September 2017; and
  - (b) Affidavit of Catherine Mary Dealehr dated 7 September 2017.
13. A description of the Final Report and directions as to where it can be accessed were provided to group members in the group member update letter dated 3 December 2018.
14. The costs of the preparation of the Final Report, including the costs of the Deloitte Report and the ALCG Report, were borne entirely by Maurice Blackburn and have not been passed on to group members in either of the Kilmore-East Kinglake or Murrindindi bushfire class actions.

### ***Enquiries from group members***

15. The SDS Team is continuing to respond to written and telephone enquiries from group members regarding various aspects of the settlement distribution process, their compensation and the ongoing taxation dispute.

### **CONTINGENCY FUNDS**

16. I refer paragraph 50 of my affidavit dated 28 February 2017. The amount of \$750,000.00 was set aside from the distribution sum in contingency of any errors in the pro-rata calculation.
17. Given that the settlement distribution process was completed a number of years ago and there has been no call on the amount set aside, I propose that it be absorbed back into the distribution sum.

## RESIDUAL DISTRIBUTION SUM AMOUNTS

18. In my March 2018 affidavit at paragraphs 26 to 35, I deposed that a residual sum of \$775,696.72 existed in the distribution sum which comprised of:
- (a) \$750,000.00 set aside in contingency referred to in paragraph 15 of this affidavit;
  - (b) \$23,172.41 of interest which was not distributed;
  - (c) An amount of \$2,200 for I-D review costs that were not accounted for in the I-D or ELPD distribution sum calculations; and
  - (d) An amount of \$324.31 which was paid to a group member who requested that the SDS Team cancel their cheque because they did not wish to receive the amount.

## TAXATION ISSUES

19. I refer to paragraphs 38 to 42 of the March 2018 affidavit and to Confidential Exhibit AJW-6 to that affidavit. I and other members of the SDS Team continued to work closely with our legal advisors PricewaterhouseCoopers (**PwC**) and counsel on the taxation issues relating to the settlement administration until the matter was concluded on 14 October 2020.
20. Now produced and shown to me marked "**Confidential Exhibit AJW-2**" is a confidential note regarding the taxation issues and the steps taken since the March 2018 affidavit. I make an application for this exhibit to be confidential to ensure the maintenance of privilege in information and material relevant to the taxation proceeding.
21. Without waiving privilege, I can state:
- (a) The dispute with the taxation office was heard before Justice Middleton of the Federal Court of Australia on 13 November 2018.
  - (b) His Honour handed down a decision dismissing the application of the Scheme Administrator on 28 February 2019.
  - (c) The Scheme Administrator filed a Notice of Appeal in respect of the decision on 18 March 2018. The proceeding number for the appeal is VID243/2019.

- (d) The appeal was heard before Justices Kenny, Davies and Thawley of the Full Federal Court on 22 August 2019. Their Honours handed down a decision dismissing the appeal of the Scheme Administrator on 27 May 2020. The Scheme Administrator lodged an application for special leave to appeal to the High Court of Australia on 24 June 2020. On 14 October 2020 the High Court handed down its decision and denied the application for special leave to appeal.
22. The overwhelming proportion of recent costs were expended on the legal work regarding the Scheme's taxation, including litigation outlined above.
23. Following the decision of the Full Federal Court, I instructed PwC to approach the ATO regarding the Scheme's ability to register for GST and claim credits (I had previously been advised by PwC to wait until the outcome of the income tax litigation before making such an approach). Initial discussions with the ATO indicated that they had the view the Scheme was not eligible to register for and claim GST credits. In those circumstances and in light of the reasoning of the Federal Court in the judgments regarding income tax issues I instructed PwC to take no further steps regarding GST liability.
24. I have lodged tax returns for the Scheme up to and including FY2020 and tax has been paid. The ATO has remitted general interest charge and penalties in full.
25. PwC has advised that the Scheme Administrator will be required to lodge tax returns for FY2021 and 2022, which are outstanding. PwC estimates that tax of approximately \$24,000 in total will need to be paid across both years.

#### **SETTLEMENT ADMINISTRATION COSTS**

##### ***Currently outstanding fees and disbursements***

26. Finalised itemised invoices for settlement administration fees and disbursements for work carried out between 1 December 2017 and 28 February 2023 are at pages 27 to 526 of this affidavit.
27. In previous affidavits, I have set out extensive details regarding the nature of the work performed by the SDS Team and the disbursements incurred by the Scheme.
28. Naturally, the majority of the previous work undertaken by the SDS Team has not been required during the current period because assessments have been completed and all compensation monies has been distributed to group members. The

outstanding work which has been undertaken since the March 2018 affidavit includes as follows:

(a) General work:

- i) Liaising with and instructing PwC on the conduct and progress of the taxation litigation, including substantive work to assist PwC and reviewing PwC's billing of the matter;
- ii) Drafting affidavit material to update the Supreme Court of Victoria on progress of the Settlement Administration and the taxation dispute;
- iii) Preparation for the Case Management Conference on 20 March 2018;
- iv) Preparing bulk correspondence to group members regarding the ongoing taxation dispute and updating Maurice Blackburn website to reflect progress;
- v) Responding to specific group member enquiries regarding the ongoing taxation dispute and other non-claim-specific matters;
- vi) Ongoing liaison with KPMG regarding the auditing requirements of the Scheme;
- vii) Ongoing liaison with John White, Special Referee for Costs, regarding the preparation of costs reports;
- viii) Managing the investment of the distribution funds in term deposits, as required under the terms of the Scheme;
- ix) Reconciling accounts, including the preparation and review of summaries of un-presented cheques and outstanding distributions;
- x) Reviewing and managing the costs and billing of the Scheme including preparing material to update the Scheme Administrator about progress versus budgets;
- xi) Taking preparatory steps to ensure that the Scheme could affect a potential second distribution in the event that we succeeded in the taxation dispute litigation at first instance; and

xii) Correspondence with the Supreme Court of Victoria regarding publication of material on the Supreme Court of Victoria website, communication with group members, case management hearings and the filing of materials.

(b) I-D work:

- i) Dealing with enquiries from claimants on matters including the following:
  1. The interplay between I-D compensation and other statutory entitlements including Department of Veteran Affairs payments; and
  2. General enquiries about I-D assessments and compensation amounts.

(c) ELPD work:

- i) Attending to outstanding payments where probate issues or allocation disputes prevented distribution, including the drafting of documents to facilitate distribution agreements;
- ii) Reviewing information on claimants who had failed to present their cheques in a timely manner and directing communications to those claimants;
- iii) Effecting payments of compensation where it had been previously withheld and became payable, including the necessary trust accounting;
- iv) Communications with claimants and their solicitors regarding their entitlement to compensation and the terms of distribution; and
- v) Responding to various claimant enquiries.

29. Subject to the Court receiving a satisfactory report from Mr White, I now seek approval for Maurice Blackburn to be paid \$1,332,855.20 for settlement administration fees and disbursements incurred for the period 1 December 2017 until 28 February 2023, composed of:

- (a) \$721,474.96 for the settlement administration fees and disbursements incurred for the period 1 December 2017 to 31 March 2019; and
  - (b) \$611,380.32 for the settlement administration fees and disbursements incurred for the period 1 April 2019 to 28 February 2023.
30. Plus \$40,150 for the Fifth Costs report of independent costs referee John White.

***Future costs***

31. I consider that the Scheme will continue to incur liabilities until it is finalised. The overwhelming proportion of any future costs will be the costs expended on a second distribution if such a course is required.
32. I estimate future costs to be incurred in finalising the Scheme, excluding costs of a second distribution, to consist of the following:
- (a) \$6,050 in fees from PwC for preparation and lodgement of outstanding tax returns as per paragraph 25 above; and
  - (b) \$25,000 for General Costs incurred by lawyers overseeing the remaining settlement administration processes until finalisation of the Scheme by June 2023. This estimate assumes that there is no further distribution to Group Members.
33. I seek approval for the payment of up to \$31,050 in future settlement administration costs.

**BALANCE IN SETTLEMENT FUND**

34. The current balance of the Settlement Account is \$2,079,695.73. I estimate that after the deduction of outstanding fees and disbursements as well as the estimated costs for a potential further distribution and conclusion of the Administration, there will be approximately \$523,815.50 left in the fund.

35. This amount is calculated as follows:

Current Balance in Settlement Account	\$2,079,695.73
<i>less</i>	
Unbilled fees and disbursements (1 Dec 2017 to 28 February 2023)	\$1,332,855.28

<b>Balance remaining after payment of unbilled costs to 28 February 2023</b>	<b>\$746,840.45</b>
<i>Less</i>	
Report of John White, Special Referee for Costs referred to in paragraph 31(c) above	<b>\$40,150</b>
PwC disbursements referred to in paragraph 33(a) above	<b>\$6,050</b>
Estimated costs to conclude Administration referred to in paragraph 33(b) above	<b>\$25,000</b>
Payment of Tax liability referred to in paragraph 24 above	<b>\$24,000</b>
<b>Residual Sum</b>	<b>\$651,640.45</b>

36. There are two options for dealing with the balance of the fund (**Residual Sum**):
- (a) A second distribution to group members; or
  - (b) Donation of the Residual Sum to an appropriate charitable institution.
37. If a second distribution is made, further costs will necessarily be incurred in that distribution. The original distribution was made by cheque mailed to group member addresses. The costs associated with this mechanism of distribution would likely be disproportionate to the amount distributed. If any further distribution was made the Scheme Administrator would recommend the residual sum is shared equally amongst the group members, avoiding the need for complicated assessments and calculations.
38. To deliver this outcome, the Scheme Administrator would conduct a simplified process, to minimise associated costs and to deliver the maximum benefit to the group members. Nonetheless, I estimate the costs associated with a further distribution are likely to be approximately \$127,825 (incl GST). The details of the proposed distribution process and estimated costs is at pages 527 to 530 of this affidavit.
39. If this approach is adopted, there would be approximately \$523,815 to distribute to group members. I estimate each group member will receive approximately \$250. If

the Court agrees with this approach, I seek a direction under Clause J1 of the Scheme to proceed on this basis.

40. I note that:

- (a) a second distribution is likely to consume approximately 20% of the Residual Sum in further costs of distribution;
- (b) group members were advised in the correspondence of 30 October 2020 that it was unlikely a further distribution would be made; and
- (c) no express power exists under the Scheme to consider alternatives to making a second distribution to group members.

41. In these circumstances, the Court may wish to consider making a direction under Clause J1 of the Scheme to donate the residual sum to one or more appropriate charitable institutions. If the Court were inclined to consider this approach, the Court may wish to consider donating the residual sum to the Australian Red Cross and/or Foundation Murrindindi. Foundation Murrindindi is a registered charity formed in 2012 by the local residents to help the communities recover from the Black Saturday Bushfires. The Foundation provides grants for various community initiatives. The SDS team has spoken to Lead Applicant, Kathy Rowe who supports the proposal for a donation to Foundation Murrindindi. Information regarding Foundation Murrindindi is at pages 531 to 551 of this affidavit.

Dear «Contact\_First\_Name»,

### **Murrindindi Bushfire Class Action Settlement Administration Update on taxation dispute**

We refer to previous correspondence in regards to the Settlement Administration and write to provide you with an update on the ongoing taxation dispute with the Australian Taxation Office (**ATO**).

We have previously advised regarding a dispute between the Scheme Administrator and the ATO about the taxation treatment of interest earned on the settlement monies.

In that advice we noted that the Scheme Administrator was working closely with our tax lawyers and the ATO to resolve the issue, but that litigation might be necessary.

### **Litigation commenced**

There has been no resolution with the ATO and so on 27 March 2018, the Scheme Administrator filed proceedings in the Federal Court of Australia against the ATO. The Federal Court proceedings use one tax year in the Murrindindi Bushfire Class Action as a test case to resolve and clarify the issues in dispute.

The Court has listed the proceedings for a case management hearing in early June and our tax lawyers are presently preparing our case. You will not be required to be directly involved in the case.

In the event of a successful result there will be a second distribution to group members.

Until the Court has made a decision, it is impossible to calculate how much you might receive if there is a further distribution but you should be aware that because the amount in dispute is a very small proportion of the total settlement sum, the amounts involved in any

potential second distribution are likely to be comparatively small (probably **less than 3%** of amounts previously distributed).

### **Timeframe and progress**

Due to the uncertain nature of litigation, we cannot estimate with any precision how long the case might take. We have been working with our tax lawyers to have these issues resolved as quickly as possible and will continue to do so.

We will also continue to keep group members updated as this issue progresses to resolution.

### **Contact details**

You should advise us of any changes to your contact details so that we can continue to update you about the resolution of the taxation dispute and ensure that we have accurate contact details in the event that there is a second settlement distribution.

### **Further questions**

Please contact the Bushfire Class Action Info-line on 1800 18 26 45 if you have any further questions about this issue.

Yours faithfully,

Dear A«Contact\_First\_Name»,

### **Murrindindi Bushfire Class Action Settlement Administration Update on taxation dispute**

We refer to previous correspondence in regards to the Settlement Administration and write to provide you with an update on the ongoing taxation dispute with the Australian Taxation Office (**ATO**).

#### **Hearing date for the tax dispute**

We previously advised that we had commenced proceedings in the Federal Court of Australia against the ATO and that the matter was listed for case management in early June.

The case management hearing occurred on 8 June 2018. The hearing was of a procedural nature and the Court made orders relating to the timetable of the proceeding, including that the trial of the substantive issues be scheduled for 13 November 2018.

As previously advised, the outcome of the proceeding may result in a further distribution of compensation to Group Members if the Court finds in favour of the Scheme Administrator, but it is impossible to calculate at this point how much you might receive if there is a further distribution.

Again, you should be aware that because the amount in dispute is a very small proportion of the total settlement sum, the amounts involved in any potential second distribution are likely to be comparatively small (probably **less than 3%** of amounts previously distributed).

#### **Contact details**

You should advise us of any changes to your contact details so that we can continue to update you about the resolution of the taxation dispute and ensure that we have accurate contact details in the event that there is a second settlement distribution.

## **Further questions**

We will continue to work with our lawyers to prepare the matter for trial but it is unlikely that there will be any meaningful developments in this matter until the Judge decides the outcome.

On that basis, we do not propose to provide any further update until the trial has concluded and we can advise you of the outcome. Of course should something occur which warrants an update prior to that time, we will keep you informed.

In the meantime, if you have any further questions about this issue, please contact the Bushfire Class Action Info-line on 1800 99 55 70.

Dear «Contact\_First\_Name»,

### **Murrindindi Bushfire Class Action Settlement Administration Update on taxation dispute**

We refer to previous correspondence in regards to the Settlement Administration and write to provide you with an update on the ongoing taxation dispute with the Australian Taxation Office (**ATO**).

#### **Hearing of the tax dispute**

The hearing of the dispute between the Scheme Administrator and the ATO occurred in the Federal Court of Australia on 13 November 2018.

It was a one-day hearing and the Judge will now make a ruling on the taxation of the Kilmore and Murrindindi class action distribution funds.

Once the Judge has made a decision, we will need to consider the implications for group members in both the Kilmore and Murrindindi matters.

However, at the conclusion of the hearing, the Judge indicated that a decision was unlikely to be handed down this year. Depending on the result, it is also possible that either side might seek to appeal the decision of the trial Judge.

As previously advised, the outcome of the proceeding may result in a further distribution of compensation to Group Members if the Court finds in favour of the Scheme Administrator, but it is impossible to calculate at this point how much you might receive if there is a further distribution.

Again, you should be aware that because the amount in dispute is a very small proportion of the total settlement sum, the amounts involved in any potential second distribution are likely to be comparatively small (probably **less than 3%** of amounts previously distributed).

## **Final Report into the Black Saturday Bushfire Class Actions Settlement Administration**

The Settlement Administration has been overseen by the Supreme Court of Victoria and the Scheme Administrator has provided regular updates to the Court by attending case management hearings and filing written materials containing information about the Settlement Administration and its progress.

So that group members have access to a single, comprehensive analysis as to the operation of the Settlement Administration, Maurice Blackburn has prepared a Final Report into the Black Saturday Bushfire Class Actions Settlement Administration.

That Report has been filed in the Supreme Court and has been published on Maurice Blackburn's website.

The costs of the preparation of the Final Report were borne entirely by Maurice Blackburn and have not been passed on to group members in either of the Kilmore-East Kinglake or Murrindindi Bushfire class actions.

### **Contact details**

You should advise us of any changes to your contact details so that we can continue to update you about the resolution of the taxation dispute and ensure that we have accurate contact details in the event that there is a second settlement distribution.

### **Further questions**

We will write to you with a further update once the Judge has made a decision in the taxation dispute.

Given the timeframe identified by the Judge, we do not consider it likely that the case will be decided before the end of the year.

In the meantime, if you have any further questions about this issue, please contact the Bushfire Class Action Info-line on 1800 99 55 70.

Dear «Contact\_First\_Name»,

### Murrindindi Bushfire Class Action Settlement Administration Update on taxation dispute

We refer to previous correspondence in regards to the Settlement Administration and write to provide you with an update on the taxation dispute with the Australian Taxation Office (**ATO**) which was heard by the Federal Court on 13 November 2018.

### Outcome of the hearing in the tax dispute

On 28 February 2019, the Court handed down a decision which held that the Scheme Administrator is not entitled to deduct the costs incurred by the Settlement Distribution Scheme (**Scheme**) from the interest which was earned on the settlement monies, in calculating the taxable income of the Scheme.

This result means that the amount which was previously withheld from distribution to meet our potential taxation liability must be paid to the taxation office.

We are obviously disappointed with the outcome and we will be discussing the possibility of appealing the decision of the Federal Court with our legal advisers in the coming days.

For further information on the tax dispute and the decision of the Federal Court please go to <https://www.mauriceblackburn.com.au/class-actions/current-class-actions/bushfire-class-actions/murrindindi-marysville-bushfire-class-action/>

### Next steps

Under the *Federal Court Rules*, the Scheme Administrator has 21 days from the date of the judgment to seek leave to bring an appeal.

As noted above, we are reviewing the Court's decision carefully and considering if any ground of appeal might exist. We will inform you of the outcome of this review, and any steps we propose to take, as soon as practicable.

Murrindindi Letter (003).docx

In the event that we do not seek to appeal the decision, we will take the necessary steps to disburse the Scheme's taxation liability and finalise the operation of the Scheme.

### **Contact details**

You should advise us of any changes to your contact details so that we can continue to update you about the resolution of the taxation dispute and the potential finalisation of the Scheme.

### **Further questions**

We will write to you with a further update once we have more information to provide to you.

In the meantime, if you have any further questions about this issue, please contact the Bushfire Class Action Info-line on 1800 18 26 45.

Dear «Contact\_First\_Name»,

### **Murrindindi Bushfire Class Action Settlement Administration Update on Taxation Dispute**

We refer to previous correspondence regarding the taxation dispute in the Murrindindi Bushfire Class Action which impacts upon the Settlement Administrations in both the Murrindindi and Kilmore East-Kinglake matters.

#### **Tax Appeal Judgment**

The Full Court of the Federal Court heard the appeal of the dispute with the ATO about the amount of tax payable on interest earned on settlement funds on 22 August 2019.

On 27 May 2020, the Full Court handed down its decision on the appeal in favour of the ATO. The Full Court found that certain deductions that would reduce the amount of tax payable by the Scheme Administrators were not allowed.

#### **Following the ruling of the Full Court**

The Scheme Administrator will need to carefully consider the implications of the judgement for claimants in both the Murrindindi and Kilmore Kinglake-East matters.

This will require the Scheme Administrator to take advice from our tax lawyers as to whether an appeal to the High Court is in the best interests of claimants.

If, based on the advice of the tax lawyers, no further appeal is lodged, there is unlikely to be any further distribution to claimants. If an appeal is lodged, it will be some time before the matter is finally resolved.

### **Following the ruling of the Full Court**

Following the decision of the Full Court, the Scheme Administrator received advice from our independent tax lawyers including an eminent Queen's Counsel who specialises in tax matters. Having carefully considered this advice and the implications of the decision for claimants in both the Murrindindi and Kilmore Kinglake-East matters, the Scheme Administrator lodged an application for special leave to appeal to the High Court of Australia on 24 June 2020.

We are currently waiting to hear if the High Court of Australia will grant our application for special leave. If our application is not granted, there is unlikely to be any further distribution to claimants. If our application is granted, the High Court will hear our appeal at a later date and it will be some considerable time before the matter is finally resolved.

Dear «Contact\_First\_Name»,

### **Murrindindi Bushfire Class Action Settlement Administration Update on Taxation Dispute**

We refer to previous correspondence regarding the taxation dispute in the Murrindindi Bushfire Class Action which impacts upon the Settlement Administrations in both the Murrindindi and Kilmore East-Kinglake matters.

In particular we refer to our most recent update to group members in August 2020 when we advised that we were awaiting the outcome of the special leave application to the High Court.

On 14 October 2020 the High Court handed down its decision and unfortunately denied the application for special leave to appeal. This application to the High Court was the final avenue of appeal. The consequence of the High Court's decision is that the Australian Tax Office's (ATO) assessment of the tax payable by the Scheme Administrator is upheld.

There are no further steps that can be taken to challenge the ATO's assessment of the tax payable.

Throughout the appeal process, we have taken advice from tax specialists who have consistently maintained that there were grounds upon which to challenge the ATO's assessment of the tax payable and reasonable prospects that an appeal could be successful.

While we are disappointed by the High Court's decision to deny the application for special leave to appeal, we were advised that it was appropriate to pursue the issue to the High Court because had the Scheme Administrator ultimately been successful the result would have been a reduced amount of tax payable to the ATO and a further distribution of settlement funds to group members.

Given the High Court's decision there will be no further distribution to group members, and the Scheme Administrator will now take the necessary steps to conclude the Administration.

  - we have not commenced legal proceedings in respect of the legal costs.

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or

  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply** to the **Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply** to the **Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

under *Section 192* of the  
**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**').   - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**'). The application for assessment must be made within twelve (12) months of:-
  - a bill being given; or
  - a request for payment being made; or
  - legal costs being paid, if neither a bill nor a request was made.

An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time.

### **INTEREST**

If the bill remains unpaid for more than fourteen (14) days of being given, we will charge interest in accordance with *Section 195* of the Uniform Law or the terms of the costs agreement, if those terms are different from the Uniform Law. **NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

under *Section 192* of the  
**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**').   - a bill being given; or
  - a request for payment being made; or
  - legal costs being paid, if neither a bill nor a request was made.

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

**INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

**NOTICE OF WITHDRAWAL OF TRUST MONEY**

If money has been paid into the Maurice Blackburn Pty Ltd trust account for or by you we hereby notify you that we will withdraw money from trust and apply it towards payment of our legal costs to Maurice Blackburn Pty Ltd.

**NOTIFICATION OF RIGHTS**  
under *Section 192* of the  
**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**'). The application for assessment must be made within twelve (12) months of:-
  - a bill being given; or
  - a request for payment being made; or
  - legal costs being paid, if neither a bill nor a request was made.

An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time.

### **INTEREST**

If the bill remains unpaid for more than fourteen (14) days of being given, we will charge interest in accordance with *Section 195* of the Uniform Law or the terms of the costs agreement, if those terms are different from the Uniform Law. The rate of interest is the Cash Rate Target, as specified by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change you can check the applicable rate at [www.rba.gov.au](http://www.rba.gov.au).

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

#### **NOTICE OF WITHDRAWAL OF TRUST MONEY**

If money has been paid into the Maurice Blackburn Pty Ltd trust account for or by you we hereby notify you that we will withdraw money from trust and apply it towards payment of our legal costs to Maurice Blackburn Pty Ltd.

**NOTIFICATION OF RIGHTS**  
under *Section 192* of the  
**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**'). The application for assessment must be made within twelve (12) months of:-
  - a bill being given; or
  - a request for payment being made; or
  - legal costs being paid, if neither a bill nor a request was made.

An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time.

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

**NOTIFICATION OF RIGHTS**  
under *Section 192* of the  
**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. - **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

#### **NOTICE OF WITHDRAWAL OF TRUST MONEY**

If money has been paid into the Maurice Blackburn Pty Ltd trust account for or by you we hereby notify you that we will withdraw money from trust and apply it towards payment of our legal costs to Maurice Blackburn Pty Ltd.

**NOTIFICATION OF RIGHTS**  
under *Section 192* of the  
**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**'). The application for assessment must be made within twelve (12) months of:-
  - a bill being given; or
  - a request for payment being made; or
  - legal costs being paid, if neither a bill nor a request was made.

An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time.

### **INTEREST**

**MAURICE BLACKBURN PTY LTD**

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

**INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

**NOTICE OF WITHDRAWAL OF TRUST MONEY**

If money has been paid into the Maurice Blackburn Pty Ltd trust account for or by you we hereby notify you that we will withdraw money from trust and apply it towards payment of our legal costs to Maurice Blackburn Pty Ltd.

**NOTIFICATION OF RIGHTS**  
under *Section 192* of the  
**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer handling your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns are not satisfactorily resolved or a dispute arises you may:-

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**'). The application for assessment must be made within twelve (12) months of:-
  - a bill being given; or
  - a request for payment being made; or
  - legal costs being paid, if neither a bill nor a request was made.

An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time.

Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or

**NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

#### **INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. The Cash Rate Target is subject to change. To check the applicable Cash Rate Target at any relevant time, go to [www.rba.gov.au](http://www.rba.gov.au).

**LEGAL PROFESSION UNIFORM LAW (Victoria) ('Uniform Law')**

**This Notification applies if you provided first instructions on or after 1 July 2015.**

- **Request an itemised bill** within thirty (30) days of the date upon which legal costs become payable. However, if the total amount of legal costs specified in the itemised bill is more than the amount specified in the lump sum bill for the same matter we may be able to recover the higher or additional amount if the costs are determined to be payable after a costs assessment under *Section 198* or after a binding determination under *Section 292* of the Uniform Law.
- **Lodge a Costs Dispute Complaint** under *Division 1 of Part 5.2* of the Uniform Law with the Victorian Legal Services Commission ('**Commission**') within sixty (60) days of the legal costs becoming payable or if an itemised bill was requested within thirty (30) days of the request being complied with. The Commission may waive the time limits specified if satisfied that:-
  - the Complaint is made within four (4) months of the specified period, and
  - after having regard to the delay and the reasons for the delay, it just and fair to deal with the Complaint out of time; and
  - we have not commenced legal proceedings in respect of the legal costs.

The Commission can only deal with costs disputes where legal costs are less than \$128,760 or where legal costs are equal to or more than \$128,760, but the total in dispute is \$12,880 or less. These figures are subject to indexation.

- Provided you are **not** a 'commercial or government client' as defined in section 170 (2) of the Uniform Law, **Seek a Costs Assessment** under *Division 7 of Part 4.3* of the Uniform Law by the Costs Court of the Supreme Court ('**Costs Court**'). **NOTIFICATION OF RIGHTS**  
under *Section 3.4.35* of the  
**LEGAL PROFESSION ACT 2004 (VIC)**

**This Notification applies if first instructions were received by us before 1 July 2015.**

If you have any concerns about legal costs please contact the lawyer responsible for your file or that lawyer's supervisor. Alternatively contact David Halstead, Senior Executive - Client Liaison, on (03) 8102 2193. If your concerns cannot be satisfactorily resolved or a dispute arises and you are not a commercial or government client as defined by the Legal Profession Act 2004 (Vic) ('Act'), you may:-

- **Seek a Costs Review** at the Costs Court of the Supreme Court of Victoria ('**Costs Court**') under *Division 7 of Part 3.4* of the Act. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or
    - the costs were paid,whichever is the earlier or earliest. An application which is out of time will be allowed unless we can establish that we would be unfairly prejudiced.
  - **On or after 9 May 2007**, an application must be made within twelve (12) months of the date:
    - the bill being given; or
    - a request for payment was made; or
    - the costs were paid, if neither a bill was given nor a request was made.whichever is the earlier or earliest. An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with. The legal costs must not exceed \$25,000 in respect of any one matter. You may be able to make a Complaint to the Legal Services Commissioner up to four (4) months after that time limit expires, provided you are able to satisfy the Commissioner that there was a reasonable cause for the delay in making the Complaint. You will not be able to make a Complaint if the costs are or have been the subject of legal proceedings for recovery or a Costs Review at the Costs Court.

**INTEREST**

If first instructions were received before 1 July 2015 and the bill remains unpaid for more than thirty (30) days, we will charge interest on the outstanding amount at a rate that is equal to the Cash Rate Target, as fixed by the Reserve Bank of Australia, plus 2%. Different time limits apply for making an application for a Costs Review depending on the date you first instructed us to act in relation to the matter which is the subject of the bill. If first instructions were received:-
  - **on 12 December 2004 to 8 May 2007** inclusive, an application must be made within sixty (60) days of date:-
    - the bill was given; or
    - a request for payment was made; or

    - the bill being given; or
    - a request for payment was made; or

An application can be made after that period and may be allowed if, after having regard to the delay and the reasons for the delay, the Costs Court is of the view that it is fair and just for the application to be heard out of time;
- **Apply to the Victorian Civil and Administrative Tribunal** to set aside the costs agreement under the provisions of *Section 3.4.32* of the Act, if applicable. The time limit for this application is six (6) years from the date the cause of action arose;
- **Make a Complaint** to the **Legal Services Commissioner** under *Chapter 4* of the Act within sixty (60) days after the legal costs were payable or if an itemised bill was requested in respect of those costs, then within thirty (30) days after the request was complied with.     - the bill was given; or

## **PROCESS AND ESTIMATED COSTS OF COMPLETING A FURTHER DISTRIBUTION TO GROUP MEMBERS**

This note outlines the steps required to be taken by Maurice Blackburn to complete a further distribution to group members of the residual settlement funds that will remain in the settlement administration accounts after payment of all costs.

After consideration of the steps involved, we prepared an estimate of the total costs we expect would be incurred in completing a further distribution.

### **PROCESS OVERVIEW**

#### **1. CALCULATION OF FURTHER DISTRIBUTION AMOUNT**

- (a) We propose that all group members receive an equal proportion of the residual settlement amount rather than on a pro-rata of loss basis. This will reduce the overall costs of the distribution by simplifying the complexity of calculations required to distribute on a pro-rata basis.
- (b) We have considered the time of an IT Consultant and Data Administrator to assist with preparing the group member data and completing the simplified calculations.

#### **2. COLLECTING GROUP MEMBER BANK DETAILS**

- (a) After calculating group members distribution entitlements, we would need to contact all group members, advising them of the payment amount and seeking bank account details for payment.
- (b) Due to the passage of time since the last group member communication and payment, we expect we will need to communicate with group members by a combination of email, post and SMS. We also expect a considerable amount of time being spent to follow up any undelivered emails or mail.
- (c) We have accounted for the time required by Paralegals to respond to enquiries generated by the mail out, including assisting group members in navigating the online bank details portal, following up undelivered emails and mail, in addition to answering general enquiries. We have also taken into account the time required by a Lawyer to draft the correspondence and deal with any escalated and complex enquiries. Finally, we have accounted for time required by a Legal Assistant to oversee the postal mail out of relevant documents.

#### **3. PROCESSING PAYMENT**

- (a) We have accounted for the time taken by a Lawyer to review and audit bank details and create payment schedules for processing.

#### **4. FOLLOWING UP ON BOUNCED PAYMENTS**

- (a) We have accounted for a buffer of 10% to account for the work involved in following up bounced and failed payments.

## **ESTIMATE OF COSTS**

5. Our costs estimate has been prepared based on the approved hourly rates.

### **KILMORE**

#### 6. Disbursements

We estimate postage costs of \$3,200 (excl GST). This is based on the number of group members who require notice via post (808) and a previous quote from Law Image for the most recent mail out completed on 13/11/2020.

#### 7. Professional Fees

Our estimated for professional fees are \$202,529.80 (incl GST). These fees are based upon the expectation that we would require 10 weeks to complete the steps outlined in this note to complete a redistribution, and that two full time Paralegals would be required to service the 5,000 group members in this matter.

The Marysville and Triangle Community Foundation was formed to continue the recovery process after Australia's worst natural disaster, the 2009 bushfires.

The establishment of the community foundation has been aided significantly by funds from the Victorian Bushfire Appeal Fund (VBAF). VBAF raised \$401 million, including interest, with about 80% of this allocated to individuals and families. The remaining funds were assigned directly to community recovery projects.

In order to allocate the remaining funds, the VBAF established a Community Advisory Committee made up of representatives of the bushfire affected areas. Community groups and individuals from the Marysville and Triangle areas were invited to put forward proposals for the use of this money. A public meeting organized by the Marysville and Triangle Community Advisory Committee representatives was held in Marysville in July 2011. Community members presented a number of initiatives, with a large majority supporting the establishment of a community foundation aimed to provide continued assistance to the rebuilding and recovery.

Since that time, the Marysville and Triangle communities have formed the Marysville and Triangle Community Foundation which is now a registered community foundation.

The foundation has been granted \$1million from the VBAF to provide benefits, not just for Marysville and surrounding communities, but for the wider Murrindindi Shire area by delivering services, making grants and undertaking community leadership and partnership activities.

Three inaugural board members commenced the process of establishing the foundation in November 2012. Recruitment for new board members started in January 2013 and an information session was held in April 2013. The new team of board members met in June and then held a strategic planning session in July 2013 to develop a strategic approach to its formation, governance fundraising and granting roles.

The Executive Officer role commenced on 4 February 2014.

The board will look to establish other trusts for the long term benefit of the community.

## 2019 - A YEAR IN REVIEW

As we spiral towards the end of 2019, it's timely to reflect on the year that's been.

The year started in the same way that 2018 ended, busy with preparations to commemorate the tenth anniversary of the Black Saturday fires. An amazing group of volunteers were supported by the Foundation to organise a "Thank you" day in Alexandra. This event was important to the communities of the Marysville and Triangle area to acknowledge the support that was received from other communities, and to take the opportunity to show that appreciation, ten years on.

The commemorative event was held in Marysville on 7 February; it was carefully planned based on the feedback received about how this event should be respectfully remembered. The commemorative event was designed so that people could choose how they would like to be involved, or not to be if that was the case. It was an emotional time, and the commemoration an important milestone. Surrounding these events was an enormous amount of background work with the an enormous amount of background work with the media, politicians, mental health support services, state government and other key stakeholders. The Foundation managed the grants process around a number of community projects, and has finally finished the administration processes around this.

In March we opened our grant rounds for 2019, and closed them again in November. Some interesting grants processed through the year include Signing for the Soul (a community singing workshop in Alexandra), Marysville Jazz and Blues Weekend 2019, community garden at CH&T (Community Hub at Taggerty), Marysville Marathon Festival, and sponsorships for local events.

At the same time, the Foundation commenced a recruitment process, calling for Expressions of Interest from people with specific skill sets. We farewelled long standing board members Jennifer Wood and Clive Clayton, and more recent recruit Howard Paix. Their presence on the Board and the impact of their work with the Foundation will leave a lasting legacy. In October, we welcomed new Board members David Hall, Charlotte Bisset, Brian Swersky and Melinda Burgess.

Our work with the Boston Consulting Group started in August, preparing a brief and working together to develop the concept of a renewed strategy for the economic recovery of the Triangle area. This report would reflect back on the original report prepared by Boston Consulting Group in 2009, which was subsequently reviewed in 2011. The Foundation believes it is important to consider the current economic prosperity of the Triangle, and to look at strategies to reinvigorate it. We look forward to the release of the report in early 2020.

The Foundation worked with local emergency services to hold a "Get Ready!" day in Marysville in early November. The concept was all about enabling accessibility to information to help prepare for the summer ahead, from bushfire safety; to managing heat health, snake bite and how to use a defibrillator; SES live car cut demonstration and safety information; Forest Fire Management information and Murrindindi Shire Community Safety and Community Planning display.

We know that the best way to recover quickly from an emergency is to be prepared beforehand. Emergency preparedness includes accessing the right information so that you can put together a plan for your household. A big thank you to the emergency services groups who contributed to the success of this day.

We wind up the year looking forward to 2020 and beyond. The Foundation is in a transition phase, as we move from bushfire recovery to a broader community development role. Our future focus will be fundraising so that we can continue to deliver our vision for a vibrant, healthy and resilient future for the communities of Murrindindi Shire.

## 2020 - A YEAR IN REVIEW

What an extraordinary year 2020 has been.

The year started with the Black Summer bushfires, that raged across SE Australia. It was a challenging time for many. Having been through similar challenges 10 years ago, the Foundation was able to connect and support other community foundations that were directly impacted by these bushfires.

We were also able to facilitate the donation of a ride on mower to the community of Lucyvale in NE Victoria. The town was directly impacted by the Black Summer bushfires and put a call out for a ride on mower. The Foundation was able to source a used mower and arrange delivery to Lucyvale. The community were very grateful for this generous donation.

In March we launched the Boston Consulting Group Final Report. The report provides strategies to create opportunities for economic development of the Triangle area. The report is available on the Foundation's website. We will continue to work on initiatives identified in the report in 2021.

No sooner had the fire season ended we were thrown a new challenge of a global corona virus pandemic. Working from home became the new normal. The Foundation office closed in late March and reopened again in late November when Covid restrictions had eased.

Despite the new covid related challenges the Foundation adapted and still continued to deliver it's core work including 2 grant rounds.

Our first grant round opened from March – May. A second grant round was made available from Aug – Oct. This was the final year of grants being made from the Bushfire Recovery Fund.

Successful grants this year included:

- Christmas in Marysville. Funding new Christmas decorations to bring festive joy and promote community spirit in Marysville.
- Purchase of a defibrillator at Narbethong. This is an asset that is available to the whole community.
- Publication of a Wildflowers of the roadsides of Marysville booklet. A local guide to wildflowers that will be available for purchase from the information and regional arts centre in Marysville.
- Purchase of an Ipad to enhance mapping, weather and other fire information on board the Acheron CFA Tanker.
- Supporting the youth space in Marysville to finish essential works to allow the space to open.
- Upgrading Christmas decoration in Buxton.
- Creation of a fire-resistant demonstration garden at Flowerdale Primary School to educate on fire-wise landscape design.
- Support a two day camp for Grade 6 girls across the Cathedral cluster (eastern side of Murrindindi Shire) as part of the transition to secondary school.
- Purchase an automated external defibrillator and remote access lighting system for the Thornton CFA tanker.

We congratulate all the successful grant applications and look forward to seeing the impacts and outcomes of these funded projects in our community.

We were fortunate to undertake some strategic planning once covid restrictions eased in November. We are at a pivotal point in the development of the Foundation and the facilitated strategic planning session was essential to assist with clarifying the transition from a fire recover focus to a broader remit to meet the many challenges and needs of the communities across the Murrindindi Shire. We look forward to sharing with you in 2021 a new name and branding to reflect this transition of the Marysville and Triangle Community Foundation.

Giving Tuesday is a global day to promote kindness and generosity in the community. It happens annually on the first Tuesday in December. Giving Tuesday encourages people to show their generosity in a variety of ways whether it's helping a neighbour, advocating for an issue, sharing a skill, or giving to causes. Every act of generosity and kindness counts and everyone has something to give. Kindness gives everyone the power to make a positive change within their own community. To celebrate Giving Tuesday, the Marysville and Triangle Community Foundation hosted a pop up stall in the main street of Alexandra and gave out free water bottles. It was a wonderful opportunity to talk about what the Foundation does and also to encourage everyone to give where and when they can.

For a community-led future

## 2021 - A YEAR IN REVIEW

2021 proved again to be a challenging year that required much compassion and resilience to adapt to changing circumstances.

This year was significant for the Foundation. After many months of planning we relaunched the Foundation with a new name and brand. In July we officially became known as Foundation Murrindindi reflecting the Foundation's new focus on the future for communities of Murrindindi Shire, beyond the lens of bushfire recovery.

We also took time to revisit our strategic plan to ensure it aligned with our new brand vision, mission and long term goals for the Foundation. In doing this work we were able to articulate the 5 key impact areas in which we work. Foundation Murrindindi enables community to respond to issues that matter most to them in order to build thriving, vibrant and connected communities across the Shire of Murrindindi. We support projects and initiatives in 5 key impact areas; Youth Success, Building Community Capacity, Community Health & Well-being, Arts & Culture and Environment & Sustainability.

When Covid restrictions finally eased in late 2021, we were able to gather again in person with all staff and board members to plan our 2022 calendar of projects, programs and events. We are super excited to be launching some new initiatives in the new year and have some other exciting projects in the pipeline. We can't wait to share these with you in the coming year and look forward to increasing our impact across the Shire of Murrindindi.
