Notes on this template:

- *This template has been prepared for revocation of an electronic grant of representation only.*
- *Where a revocation is sought on the basis of the discovery of testamentary document(s) and the existence those documents ought reasonably have been discovered by way of 'routine' searches (such as title and ancillary searches of real estate of the deceased) prior to the initial application for the grant, the Court is to be addressed on whether the practitioner/firm who prepared the initial application*
