OTHER MATTERS:

- A. Clause 48 of the Settlement Distribution Scheme (**SDS**) provides that within 30 days after the completion of the final distribution from the settlement fund, the Administrator will, on behalf of the Plaintiffs, inform the Court and request the Court make the orders dismissing the proceeding with no order as to costs between the parties.
- B. This Order is authenticated by the Judge of the Court pursuant to rule 60.02(1)(b) of the *Supreme Court (General Civil Procedure) Rules 2025* (Vic) ('Rules').

THE COURT ORDERS THAT:

2. Pursuant to section 33V(1) of the Act, the settlement in the terms contained in the settlement deed dated 9 July 2025 be approved.

Each individual Registered Group Member's Distribution calculated in accordance with this clause constitutes the Registered Group Member's Distribution Amount.

 - (c) for Registered Group Members who are located outside of Australia, or who have provided banking details for a bank account located outside of Australia, details of any amounts withheld from the Interest component noted at (b) above.
- 34. Within one month of the Initial Distribution the Administrator shall attempt to contact any Registered Group Member by email, telephone and post (to the extent those details are available to the Administrator in the Claims Database):
 - (a) to whom payment under the Initial Distribution was unsuccessful; or
 - (b) who failed to comply with the Banking Details Deadline,

for the purpose of obtaining banking details to facilitate payment of any Distribution Amount. Those communications shall explain to the relevant Registered Group Members that failure to provide adequate banking details for effective payment within 30 days of the date of the communication to the Registered Group Member will make them ineligible to receive any disbursement pursuant to this SDS.

35. Within three months after the Initial Distribution, the Administrator will effect a Second Distribution using the details obtained pursuant to clause 34 above.
36. Any amount that remains in, or returns to, the Settlement Fund at the end of one month after the Second Distribution (and no later than 1 November 2026), will be distributed in a Final Distribution by 30 November 2026:
 - (a) If the remaining amount, pro-rated between the Registered Group Members for whom the Administrator possesses banking details that facilitated an effective distribution payment (either in the Initial Distribution or the Second Distribution), results in payment to all such Registered Group Members an amount greater than \$10, a Final Distribution in that manner shall be made;
 - (b) If the remaining amount pro-rated between Registered Group Members described in clause 36(a) above would result in some Distribution payments being less than \$10, the aggregate sum of all the payments below \$10 will be pro-rated among the Registered Group Members who are described in clause 36(a) and eligible for a Distribution greater than \$10, and a Final Distribution in that manner shall be made to those Registered Group Members;
 - (c) If the remaining amount pro-rated between Registered Group Members described in clause 36(a) results in payment to all such Registered Group Members an amount less than \$10, the Final Distribution will not be made to any Registered Group Members. Instead, the amount remaining in the Settlement Fund shall be paid as a charitable donation to the Smith Family (ABN 28 000 030 179).
37. Any remaining amount in the Settlement Fund for any reason after the Final Distribution shall be paid as a charitable donation to the Smith Family (ABN 28 000 030 179).

G. INTEREST

38. Interest on the Settlement Sum will form part of the Settlement Fund and be available for distribution to Registered Group Members or otherwise be treated in accordance with clause F above.

39. The Administrator may at any time convert the Settlement Fund to a non-interest earning account if:
- (a) it determines that the cost of administering the taxation implications of further Interest being earned on the Settlement Fund will be disproportionate to the further Interest expected to be earned; or
 - (b) in its discretion, determines that doing so is necessary for the purpose of calculating any Final Distribution, in which case it may continue to hold the Settlement Fund in the non-interest earning account until the Final Distribution is made.

H. TAXATION

40. The Administrator is required to comply with the taxation obligations of any trust created for the benefit of Registered Group Members or other person to receive a payment from the Settlement Fund in the course of the administration of the SDS and may seek expert advice to enable this. Any tax that the Administrator may be required to pay in respect of an individual Registered Group Member may be deducted from that Registered Group Member's entitlement to the Settlement Fund. Any taxation liability of any trust(s) created by the establishment of the SDS shall be indemnified out of the Settlement Fund in accordance with clause I.

- (e) an electronic funds transfer using the bank account information provided by the Registered Group Member or persons acting on their behalf; or
 - (f) any Registered Group Member's failure to receive communications described in this SDS or who failure, for any other reason, to submit documentation to the Administrator or the Court within a time limit set under this SDS.
43. Any person exercising a function under the SDS (including, without limitation, the Administrator), in discharging any function or exercising any power or discretion conferred by the SDS, shall not be liable for any loss to Group Members, other than loss arising as a result of fraud or intentional misconduct.
44. Any person exercising a function under the SDS (including, without limitation, the Administrator) shall be indemnified from the Settlement Fund in respect of taxation or other liability attaching to the sums standing from time to time in any account or otherwise from or attaching to the exercise of the function by the person (other than as arising as a result of fraud or intentional misconduct).

J. SUPERVISION BY COURT

45. The Administrator may refer any issues relating to this SDS to the Court for direction or determination.
46. On the application of the Administrator, the Court may vary or amend the terms of the SDS.
47. Any costs reasonably incurred by the Administrator in relation to any application to the Court in connection with the SDS shall be deemed to be Administration Costs unless the Court otherwise orders.
48. Within 30 days after the completion of the Final Distribution from the Settlement Fund, the Administrator will, on behalf of the Plaintiffs, inform the Court and request the Court make the orders dismissing the Proceeding with no order as to costs as between the parties.
