(S ECI 2022 02887)

THIS NOTICE IS PUBLISHED BY ORDER OF THE SUPREME COURT OF VICTORIA

IT IS IMPORTANT THAT YOU READ THIS NOTICE CAREFULLY BECAUSE IT MAY AFFECT YOUR LEGAL RIGHTS

SUPREME COURT OF VICTORIA
Associate of a Judge of the Court

REGISTRATION AND IMPORTANT NOTICE

IAG SHAREHOLDER CLASS ACTION

Damian Christopher Norris v Insurance Australia Group Limited (IAG) (ACN 090 739 923)
(S ECI 2022 02887)

Why am I receiving this notice?

1. The Supreme Court of Victoria has ordered that you receive this notice because, according to information contained in the share register of Insurance Australia Group Limited (**IAG**), you may be a Group Member in this class action.

2. You may be a Group Member in this class action if you acquired an interest in IAG shares between **25 June 2020 and 20 November 2020 (inclusive)** (**Claim Period**) and suffered loss or damage by reason of the conduct alleged in the proceeding. Please note that the Claim Period in this proceeding was amended by Court order on 26 June 2026.

3. If you have already provided Quinn Emanuel with your IAG share trade information in connection with this proceeding, **you do not need to do anything in response to this Notice.**

4. The purpose of this Notice is to give those persons who have not registered their claim an option to register if they wish to participate in any potential settlement of the class action (**Unregistered IAG Group Members**).

5. It is important that you read this Notice carefully because it may affect your legal rights.

6. If you are an Unregistered IAG Group Member and you wish to be eligible to take part in any settlement reached between the plaintiff and IAG before the start of trial, you must register your claim with Quinn Emanuel by 4:00pm AEDT on **18 December 2026**.

IMPORTANT: As set out above, if you have already registered with Quinn Emanuel, you do not need to respond to this Notice.

What is this class action about?

7. This class action was filed in 2022. It relates to allegations that in 2020 IAG engaged in misleading or deceptive conduct, and failed to comply with its continuous disclosure obligations as an ASX listed company, contrary to relevant provisions of the *Corporations Act 2001* (Cth), the *ASIC Act 2001* (Cth) and the Australian Consumer Law, in relation to IAG's disclosures in connection with its potential exposure to business interruption claims arising from the COVID-19 pandemic.

8. The IAG Shareholder Class Action alleges that because of this conduct the plaintiff and other IAG shareholders paid more for shares in IAG than would have been the case had IAG complied with its obligations. Alternatively, the class action alleges that some group members would not have purchased shares in IAG had the alleged wrongdoing not occurred.

9. IAG denies the allegations and is defending the class action.

10. A copy of the plaintiff's Amended Writ indorsed with his Amended Statement of Claim (**Amended Claim**) is available at https://iagclassaction.com. The Amended Claim, IAG's defence, and other court documents relevant to the proceeding are also available on the Supreme Court's website at https://www.supremecourt.vic.gov.au/areas/group-proceedings/iag.

SUPREME COURT OF VICTORIA
Associate of a Judge of the Court

If you meet the criteria in paragraph 1 of the Amended Statement of Claim, you are a Group Member in the class action and you should read this Notice carefully as it will affect your rights.

OPTION 1 – REGISTER YOUR CLAIM

12. If you wish to obtain any benefit pursuant to any settlement reached by the parties before the start of trial, you must register your claim by **4:00pm AEDT on 18 December 2026** (**unless you have already registered your claim, in which case you do not need to take any further action).**

13. It is free to register and you will not be liable for any upfront or "out of pocket" costs by registering your claim.

14. To register, you must complete and submit a Registration Form by **4:00pm AEDT on 18 December 2026**.

15. The Registration Form is available to complete online at https://iagclassaction.com/register/.

OPTION 2 – DO NOTHING IN RESPONSE TO THIS NOTICE

18. If you do nothing in response to this Notice, and you are an Unregistered IAG Group Member, you will remain a Group Member in the class action.

19. As set out above, if you are an Unregistered IAG Group Member, and you do nothing in response to this Notice, and

    (a) a settlement is reached between the plaintiff and defendant before the first day of trial, and the settlement is approved by the Court, you will not be entitled to obtain any benefit pursuant to any settlement, without leave of the Court. You will, however, be bound by the settlement, including any terms releasing the defendant in respect of matters related or similar to the claims the subject of the class action (despite not being eligible to seek any benefit). This means that your right to bring your own claim against the defendant for matters related or similar to the claims the subject of this class action will be extinguished.

    (b) If no settlement is reached between the plaintiff and defendant before the first day of trial, you will be bound by the final judgment in the class action, and you will be entitled to obtain any damages awarded by the Court (if you satisfy the eligibility criteria set down by the Court) in the event that the Court finds in favour of the plaintiff and Group Members.
