

NOTICE TO THE PROFESSION
and other Court users

From 1 January 2006, the Commercial List will be expanded to three judges - Justice Dodds-Streeton, Justice Whelan and Justice Hargrave.

The three judges will also run the Corporations List. The change and expansion is in response to the increase in commercial and corporations business within the Supreme Court.

The specialist procedures as set out in Practice Note 4 of 2004 - *The Green Book* - will be continued (available on the Supreme Court website - www.supremecourt.vic.gov.au).

Users may be assisted by the overview of Commercial List practice and procedure available on the Commercial List page of the Supreme Court website.

Enquiries should be directed to Meredith Schilling, Commercial List Associate, telephone: 9603 7149; email: Meredith.Schilling@supremecourt.vic.gov.au
